V. Golf – Robert A. Zelten, Committee Chair

Members and their guests are welcome to play our beautiful, William Flynn designed golf course. Our rules are designed to make golf more enjoyable for everyone. Please review these rules and report your concerns to the Pro Shop or the Golf Committee Chair. "In Season" is Memorial Day Weekend (Friday) through Labor Day inclusive. Players are expected to maintain a 4 hour pace of play and staff will patrol the course periodically to sustain the speed of play. If you are unable to maintain a 4 hour pace, please play in non-peak hours (after 1 p.m.). Please adhere to the rules of golf etiquette. Minimizing congestion is the responsibility of the Golf Pro. Accurate yardage is indicated on tee signs and is also indicated on sprinkler heads to center of green. The Pro Shop is equipped with an electrical storm warning system which operates only when the Pro Shop is open. Always use common sense when weather conditions threaten. Respect lightning. When the horn sounds, players must seek shelter immediately.

Course Rules: All play is governed by U.S.G.A. Rules except those local rules noted on the Score Card or posted at the Pro Shop. Please replace all divots, fix ball marks on greens, fill all par three (and fairway, if you carry a sandbottle) divots with soil/seed mix, pick up tees and other debris to protect mower blades, rake bunkers and place rakes outside of bunkers parallel to the fairway. Out-of-bounds is indicated by white stakes. The stone wall on #2 is out of bounds. Balls hit through or over #3 fence are out of bounds. Balls in flower beds behind #1 green must be moved to drop area without penalty. Balls near newly planted trees (staked or white wrapping) interfering with swing or stance (not line of sight) must be dropped. Soft (non-metal) spikes are required for all players.

Practice Range Rules: The practice range is open from 8:00 to 5:00 daily except on Tuesday when it closes at 4:30. **On Tuesdays, players must stop hitting balls at 4:30.** Range balls only must be used during hours of operation and are available at the Pro Shop at seasonal or per-use charges. Please hit within roped areas.

Player Rules: Proper golf attire is required at all times. Acceptable attire for ladies includes slacks, proper length golf shorts or skirts, with an acceptable golf shirt or blouse. Acceptable attire for men includes slacks or proper length golf shorts, and shirts with collars. Jeans, cut-offs, tennis shorts, tee shirts, fishnet shirts,

halter and tank tops are unacceptable. Alcohol is not permitted on the course. Each player must have his/her own set of golf clubs and bag. Non-playing persons are prohibited from playing areas unless accompanied by a member. Members are required to post scores and maintain a proper handicap in order to play in club events.

Rules of Play: All players must register at the Pro Shop before beginning play. Members and guests beginning play before hours of operation of the Pro Shop, must register after finishing their round of play. On days with shotgun starts, members must adhere to the designated shotgun starting time, i.e., 8:00 or 8:30 and report to the Pro Shop to be assigned a starting hole. All fees and charges must be billed to member accounts. All play begins at hole No. 1 and is continuous unless otherwise authorized by the Pro Shop staff. Players playing only nine holes are permitted to cut in alternately on the 16th tee on weekdays (other than holidays) except during tournament play. Foursomes have preference at all times. Singles, twosomes, and threesomes are encouraged to form foursomes so that more persons can enjoy the course in less time. Only threesomes or foursomes may tee off before 11:00 a.m. on Saturday, Sunday or Holidays, in season. **If a hole is open ahead, slower players must allow faster players to play through.** Starting times are strongly encouraged. Starting times may be made two weeks in advance. Members are limited to no more than two starting times on any Saturday, Sunday or Holiday, in season. A reserved tee time must be cancelled in advance if it will not be used. Persons adding their name to an incomplete group listed on the Starting Log must verify with a member of that group that they may be included. The Golf Pro will attempt to arrange games for individuals upon request. Tuesday mornings from June through September are designated as "Ladies' Day." Times of play for Juniors (under age 23) may be limited to those times when the course is not crowded as determined by the Golf Pro. Guests and Cottage renters are encouraged to participate as Class IV Members, subject to dues, fees, and rules as established by the Eagles Mere Country Club. Guests may reserve starting times after 11:00 a.m. on weekdays in-season and after 12:00 noon on weekends and holidays. Guests will be provided with copies of the Rules and Regulations upon request and are expected to comply with same. Members must make prior arrangements (preferably in writing) with the Pro or Club Manager for unaccompanied guests to use the facilities of the Club.

Comments by members or guests about any aspect of the Golf Program or Staff should be made in writing to the Golf Chair or a Board member. **REPEAT VIOLATORS OF THE RULES AND/OR THEIR SPONSORS WILL BE NOTIFIED IN WRITING. CONTINUED RULES VIOLATIONS MAY RESULT IN RESTRICTION OR REVOCATION OF MEMBERSHIP WITH LOSS OF ALL FEES PAID.**
