Notes: \*\* indicates food & beverage/social function to be involved with event and/or entry, TT=tee times, SG=Shotgun

Tournament dates, times and formats are subject to change by the Golf Committee, Golf Professional and/or Superintendent.

Format	Description
Various	League play where each day has a different format.
Scramble	Players form a team to make one score. All players tee off and select the best drive. All other balls are taken to this spot. All players hit again and continue this process until the ball is holed
Individual stroke-play	Player plays his/her own ball and hole out on every hole to post a individual score against the field.
Individual match-play	Player plays his/her own ball against another individual with each hole counting as one point.
Better-Ball of Partners	Two player teams play one better-ball of partners against the field.
Four-ball	Also called better-ball of partners (BBOP), match-play, teams of two square off playing BBOP, match-play.
Better-Ball of Foursome	Players form a team to make one score. All players play their own ball and the best score is used for the team score. Variations include 1 BB of 4, 2 BB of 4, 3 BB of 4 or progressives like 123 BB of 4 or by par, etc.
Stableford	Stableford is a way to award points for different scores. Most play 5 pts./double eagle, 4 pts./eagle, 3 pts./birdie, 2 pts./par, 1 pt./bogey, 0 pts./double bogey or higher. Variations include modifying the point structure to greater reward low scores. Format also allows ability to pick up at double bogey+.
Chapman	Teams are comprised of two players playing for one score. Both players tee off and the better drive is determined. The player who did not hit this drive, hits the second shot. Team plays alternate shot until the ball is holed. Modification allows for both players to tee, then hit each others second shot, and choose the best ball to be played as alternate shot until holed.
